+Men's Group – Testing The Water

Many moons ago we announced a plan to start a Men's Group. This was announced shortly before the pandemic lockdowns began.

The time has come to visit this idea again.

A meeting is planned on the morning of June 18th at 10.30am in the church hall. The aim is to assess the interest that there is in forming such a group and to talk about the sort of things that the men's group would put into action. If you are interested or you know someone who might be please pass the word on and keep that date and time clear in your diaries.

Information for other parishioners to venerate the relics at the two churches will be circulated in June.
